PLAN YOUR PERFECT WEDDING

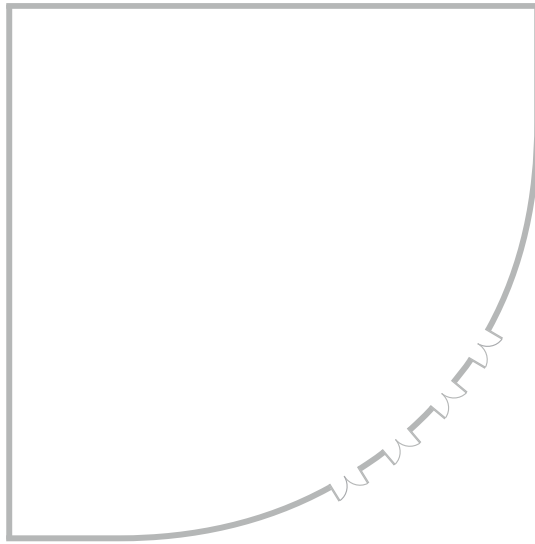

There can be no happier or momentous occasion than the day you formally declare your commitment to share the rest of your life with someone special. The professional team at New World Millennium Hong Kong Hotel understands what it takes to put together a perfect wedding and is dedicated to taking care of every detail of your big occasion, enabling every couple to stage a remarkable event to be remembered for a lifetime.

RIGHT PLACE, RIGHT SETTING

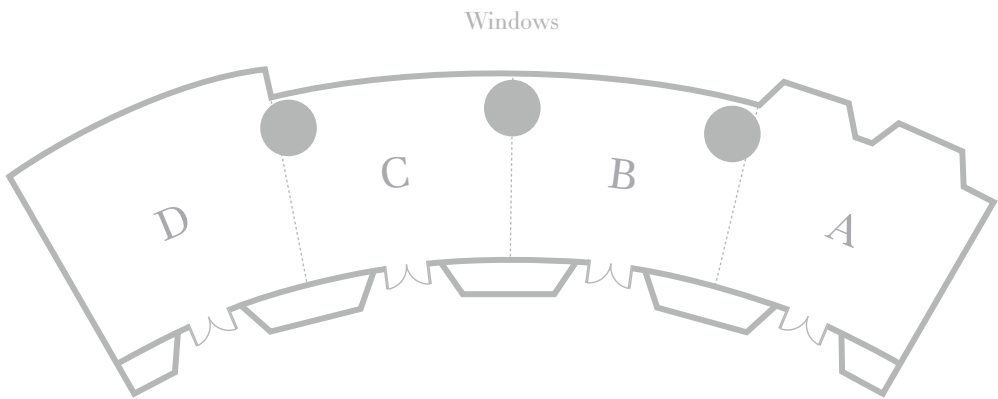

Our new, magnificently illuminated Grand Ballroom is every bit as grand as its name implies, thanks to its fan shape with no pillars. Our function venues, including the Fountains Room and Garden Room, offer flexibility in room configuration, for they can be partitioned into individual venues or combined together to cater to different needs, such as a wedding registration ceremony or a small-sized wedding reception. If you are looking for a truly grand setting for an intimate event, our Chairman's Place is also an ideal venue.
