19 March 2020

**NEW WORLD MILLENNIUM HONG KONG HOTEL LAUNCHES  
TWO STAYCATION PACKAGES EXCLUSIVE FOR HONG KONG RESIDENTS**

New World Millennium Hong Kong Hotel, the iconic five-star landmark on the Victoria Harbour waterfront in Tsim Sha Tsui East, is offering Hong Kong locals two exclusive staycation packages encompassing an array of benefits, such as access to the Residence Lounge, daily breakfast, room upgrade, a complimentary surgical mask per day, and more.

Available for bookings made directly with the hotel from now to 30 June 2020 for stays until 2 July 2020, both room offers -- “Home Away from Home” and “Stay Two Nights & Earn a Free Night” -- are offered to Hong Kong residents who are required to present their HKID upon check-in.

The “Home Away from Home” package is applicable to City View Room reservations at a special room rate of HKD1,080 plus 10% service charge per night. Guests looking for a longer staycation can opt for the “Stay Two Nights & Earn a Free Night” offer. A complimentary night will be earned on a two-night stay at a City View Room or Deluxe City View Room booked at the Best Available Room Rate. The free night can be redeemed within 60 days of the first stay. Guests are required to set the stay dates of the three nights consecutively upon initial reservation. The third night stay date can be subsequently changed if necessary with no penalty through hotel reservations at telephone +852 2313 4305 or email to [reservations@newworldmillenniumhotel.com](mailto:reservations@newworldmillenniumhotel.com).

A range of tempting privileges are included for both packages:

- Upgrade to a Harbour View room
- Daily breakfast at Café East for two registered guests
- Complimentary in-room pay movies
- Complimentary access to the Residence Lounge & Bar from 7 a.m. to 5 p.m. including light refreshments
- Complimentary non-alcoholic drinks and snacks from the mini-bar (refilled daily)
- 20% food and beverage discount

What's more, to protect the health and well-being of all guests given current health concerns, the hotel is providing a nourishing welcome beverage for two persons per stay, and giving each in-house guest a surgical mask daily. Strict precautionary measures are also in place, including body temperature checks for all guests at the hotel entrance, a health and travel history declaration for all in-house guests upon arrival, as well as frequent disinfection and hand sanitisers available in the public areas of the hotel.

The offers are subject to room availability and blackout dates. All reservations should be guaranteed by credit card at the time of booking and reservations are non-cancellable and non-refundable. Both offers are only valid for Hong Kong residents and HKID is required upon check-in. These offers cannot be used in conjunction with other room packages or promotions.
