Situated right across from Greenbelt, the country's first lifestyle center, guests feel the vibrancy and energy of the local scene with its numerous offerings in terms of entertainment and commerce. Ayala Avenue, the country's version of Wall Street, is just a stone's throw away, making the hotel within walking distance to the city's top business addresses, embassies and exclusive residential districts.

EVEN THE FACILITIES WILL LEAVE A LASTING IMPRESSION

The hotel features a 675-square-meter, pillar-less Grand Ballroom, with a towering ceiling that is seven meters high and a generous foyer that can be utilized further as a registration area or exhibit space.
