PETALING JAYA HOTEL

LOCATION

New World Petaling Jaya Hotel is an upper upscale hotel located in the heart of Petaling Jaya next to the Lebuhraya Damansara-Puchong (LDP), the busiest highway connecting the urban and affluent city dwellers of Petaling Jaya to the greater Klang Valley. We form part of an integrated development comprising The Ascent corporate office tower and Paradigm Mall, a shopping paradise that spans over six levels across 300 retail outlets. Our location is strategic, with access to the nearest LRT metro station (Kelana Jaya) in just 5-minutes via a free shuttle bus and 45-minutes driving distance from Kuala Lumpur International Airport KLIA & KLIA2. Domestic or vacation travellers will be happy to note that we are a mere 30-minutes from the iconic Petronas Twin Towers and 15-minutes from Subang's Sultan Abdul Aziz Shah Airport.

STYLE

Spaces are sleek yet social at New World Petaling Jaya Hotel. A modern and contemporary design philosophy is melded with tradition, where an over-sized *gasing* is seen at reception, while the ever classic *batik* motifs are found adorning the walls inside the grand ballroom.
