

OUR DINING EXPERIENCES

OUR CHEF DE CUISINE - LINH NGUYEN
 "AUTHENTICITY ALWAYS BEATS PERFECTION"

Growing up in a family-owned restaurant and inspired by a rich culinary culture around me from the early ages, I have developed my passion for cooking while spending countless hours as a kitchen assistant to my parents. I soon realized being chef was my calling.

I have started my career at the prestigious Park Hyatt Saigon as a Trainee and have worked my way up to Chef de Cuisine in the last 8 years, working in different cuisines. The Highlight of my career so far has been the winning of Good Taste Series in Singapore in 2019, which brought me great pride and has been a beautiful recognition for all the hard work and passion I put in my job every day.

My food concept is very simple: I love to utilize modern techniques to prepare and present classic Vietnamese dishes in an innovative, versatile way that suits every palate.

For me, Authenticity always beats perfection and that has always been the philosophy behind my work and my team's work at LUA: we look forward to welcoming our guests with a cuisine that is both local and innovative at the same time, with high quality ingredients and the most refined cooking styles.
